Forsyth County, NC – Bill Plemmons RV World, with 3 locations in Rural Hall, Raleigh and Salisbury, North Carolina, has been selected as a recipient of the prestigious RV Business Top 50 Dealers Award for 2009. This selection, made by an independent panel of RV industry experts, is given to dealerships that are unsurpassed in overall business operations, customer service and professionalism.

To be considered for this award, each dealer must be nominated by a RV manufacturer after which the dealer must provide specific operational and sales information to support the nomination. RV Business then retains an independent panel of RV industry insiders who examine all nominees to determine the Top 50 Dealers in the nation. Upon selection, RV Business hosts an awards ceremony for all recipients held during the RV Dealers International Convention/Expo in Las Vegas, Nevada in October where the awards are presented and the recipients are individually recognized.

Steve Plemmons of Bill Plemmons RV World will be attending this year's ceremony as a recipient to accept the award on behalf of his entire team. "Our customer's satisfaction is everything, says Steve Plemmons of Bill Plemmons RV World, "that is how we have done business since 1951 and will always be the way we do business". By receiving this award, it exemplifies how Bill Plemmons RV World is one of the RV industry's elite dealers. "Bringing this award back to the entire Bill Plemmons RV World team will be quite an honor", says Plemmons, "and being recognized like this takes every team member we have doing their best everyday for our customers".

A 2nd generation RV dealership, Bill Plemmons RV World has been in business since 1951 and currently operates 3 locations in Rural Hall, Raleigh and Salisbury, North Carolina, selling both towable and motorized RVs and representing 72 of the finest RV model brands in the industry.
